Wien, April 11th 2011

## Max Perutz Library internship offer

### The library

The Max Perutz Library is a specialized reference library, located at the Campus Vienna Biocenter. It maintains and develops literature collections and information services in support of the present and future research and teaching needs of the institutes it serves (IMP, IMBA and GMI). The more, it provides a quiet and well-equipped study environment (<http://library.imp.ac.at>).

### The job

Updating the referencing tools of the library's holdings (Electronic Journals Library, OPAC)

Stocktaking and evaluation of the printed holdings

Assistance in other library services

Duration one month or longer in July, August and September 2011

### Salary

By agreement

### Eligible persons

Under-graduates in the field of library and information studies (e.g., bachelor study Information, Media and Communication, university course Library and Information Studies)

### Application

Containing CV and a short motivation letter via email ([library@imp.ac.at](mailto:library@imp.ac.at)) until May, 23<sup>rd</sup> to:
