

### **Remote connections to the Biooptics Workstations**

For remote connection to the Biooptics Workstations please use [remoteapps.vbc.ac.at](https://remoteapps.vbc.ac.at)

Enter your credentials and choose "Remote Desktop Connection"

Enter the computer name (pcw...) and your normal VN2-password to connect.

The computer names of the biooptics workstations are the visible in OrgT oder on the BioOptics Homepage (Equipment)

It is mandatory to reserve the workstation (and some softwares) in the booking system!
